

December, 2016

**From the Vice Commodore** by **Roger Herrick**

Thank you for electing the officers and directors for 2017. We, the social committee and all the volunteers will do our best to provide you with quality waterfront and on the water events.

We start off with the 2017 Kick-Off on Jan 19 at 6:00pm at the Plantation Ballroom. Last year, this event was attended by almost 100 of our members and guests. This year we are upgrading the appetizers and have enlarged the venue. Please join us!

There is exciting news with The Landings Rhodes 19 sailboat fleet! Marty Vernick, who has led this group for over 13 years, has turned leadership over to Mark Winters, one of our newest members. This fleet of about 30 members and 9 sailboats, will join forces with our Club for social opportunities and we will help Mark with managing the boats and races. There will be no negative financial impact on SIBC and probably some new Club members. About half of the Rhodes 19 membership are already members of SIBC. Lots more on this later!

So, we are off to a great start for 2017 and it's not even 2017 yet!

Happy New Year to all of you and thank you for renewing your membership.

## **Financial** by Jake Master

By now, all of you should have received an invoice for 2017 dues. The amount, \$75, is the same as 2016. We have tried to make it easy for you to pay: by *credit card* on our web site or *mail* or *tube*. See the separate section of this newsletter for the details. If you have already paid your dues, *thank you!*

We finished the year with about \$2,300 and we will use about half of that amount to improve the quality of our 2017 social events. A 2016 financial statement is posted on our web site at the ABOUT page, under BYLAWS, click [REV/EXP](#) (<http://skidawayislandboatingclub.org/bylaws/>)

Please join us at the **January Kick Off** and see our improvements
