

From the Fly Bridge by Lee Carroll

June 22nd we had an informal get together at the Landings Harbor Tiki Bar. Some folks brought great 'finger' food that really ended up being dinner for most of us. It was a BYO event, had some Jimmy Buffett music, signed up 2 new members, and Landings Harbor found some bar stools that were very much appreciated.

This event is a precursor of future 'Boaters' Nites'. The intention is to have a Boaters' Nite at the Tiki Bar every Tuesday at 5:30 for anyone who wants to attend, no club affiliation required. We will be encouraging everyone to attend. It will just be an excuse for boaters or, people so inclined, to have a casual place to meet and maybe discuss boating issues.

Rory said he has no intention of removing the bar stools, so please use that venue for your evening cocktail since on most evenings the rockers are full anyway. Boaters' Nite will begin the Tuesday after the 4th and will continue through the summer. It will be a BYO event.

In news from the Cruising Committee, we are working on a plan for another Daufuskie day trip by boat this summer and an overnight trip to south Wassaw in the fall.

The Hook Ocean Race and Dinner is our next major event, on July 29th and I will defer to the Hook committee for further details. I look forward to seeing all of our members and many guests at the dinner!

Hook Race Committee by Jake Master

The most important thing about the Hook Event is the dinner for our members. It will be a full, catered dinner Saturday evening, July 29. At \$16 per person, it is a real value, thanks to our sponsors and race entry fees.

We arranged for the Tiki Bar to be open: cash only, with beer, wine and a special rum drink. We will have some nice Hook shirts for sale as well.

I've mentioned before that absolutely no Club funds are used for this event. It is completely self supporting and it brings recognition to our club and Island throughout the Savannah and Hilton Head areas.

As of this writing we have 19 boats registered, of which 6 are new to the race this year. We expect well over 20 boats racing which makes this the largest sail racing event in Savannah and Hilton Head. There are 6 SIBC boats entered and at least 23 of our members racing on them.

Paulette Hamilton is chairing this event. Linda Dew is Social Event Director and her Events team has been hard at work preparing for the dinner. Last year 170 people were served. This year we added 2 larger tents in case of rain.

Because this is a catered event, dinner reservations must be made in advance. We try to make it easy for you to pay by credit card at our website, by tube or by mail. The details are in this newsletter so please make your reservations soon.

An event brochure will be available at the dinner and on-line. Please support our great sponsors. Come to the dinner and read the brochure to see all the sponsors. Have a great time!
