

May 2017

From the Fly Bridge by Lee Carroll

Games Day, May 18 at Landings Harbor, was another really successful event! Games included horseshoes, croquet, bocce ball and cornhole. Cornhole was the most popular, so maybe next year we can have a Cornhole Championship series!

Many thanks to all the volunteers and the game providers who contributed to the success of this event. About 80 people attended.

The Ship's Store also had a successful night! There was a SALE on all their inventory and the members responded. It was a great night for bargains!

Given the enormously successful Dock Party in April, followed by Games Day in May, and with the Hook Dinner just around the corner in July, the Social Committee is glad for a breather in June. The scheduled pontoon boat cruise in June with Captain Neal had to be canceled because he did not return phone calls.

Instead, we have reserved **Landings Harbor on June 22nd** for an informal **Tiki Bar Meet-up**. Just bring your own drinks and snacks and assemble at the Tiki Bar beginning around 5:30.

Plans are proceeding for our next big social event, the **2nd annual Hook Dinner on July 29th**. The dinner will be preceded by the Low Country Hook Ocean Race where sailors will race from Hilton Head to Landings Harbor. Members, sailors, sponsors and guests are all invited to the catered dinner. Last year's event was big, this year's event should be bigger!

The Cruise Committee is looking at plans for day cruises to Wassaw Island and Daufuskie Island - plans to be finalized soon. We also want to arrange another trip to Hilton Head this fall. We will keep you updated with details as they become available.

Wear your name tag/lanyard to all events! It's a style statement as well as identifying you as a member of SIBC.

Your tag should have your name on both sides. If not, stop by the registration table and pick up another one.

Social Committee by Linda Dew

Thank you, thank you for all the help!

Once again, our wonderful members flocked to assist in making the First Annual SIBC Games Day a fabulous success!

Our Social Volunteer Team was joined by others who also arrived early and stayed late and helped with anything that was needed.

Thank you all so much for everything you continue to do for SIBC. Your assistance is what makes it possible for the Social Committee to continue putting on these big events.

This is a picture of the members who signed up to help with setup. It does not include others who also came early and stayed late!

Please be sure to look at the photo display on the [website](#) too.

Treasurer by Jake Master

We now have 90 paid family memberships. This level of dues revenue allows the club to greatly improve food and appetizers served at our social events. I hope you have noticed the difference from last year!

We have \$4,300 on hand and all of it is committed to club operations over the rest of the year. About half will go for the season end party scheduled for Saturday, October 21st.

Over the next month, you will see a lot about the July 29th Hook sailboat race. This event brings considerable recognition to our club and is completely self-supporting by sponsors and entrants. No club money is used for this event.

Games Day, May 18 at Landings Harbor

The 1st Annual SIBC Games Day was attended by nearly 80 members who showed off their expertise at bocce, corn-hole, croquet and horseshoes. While corn-hole seemed to be the most popular, there was fierce competition in the horseshoe pits and rousing laughter on the croquet court. Bocce players had great fun and even gave lessons to bocce newbies.

Everyone enjoyed the snacks during play and built up quite an appetite for the delicious sandwich, salad supper which followed. Of course, there is always room for a cookie or two!

There is no doubt that all members will be sharpening their skills by practicing in preparation for the 2nd Annual Games Day in 2018!

There are awesome pictures posted at the website (<http://skidawayislandboatingclub.org/>) and a selection posted at Facebook too.

Are the setup volunteers getting tired? Well, they're almost done...

There are so many great pictures at the website. I hope you go look!

Cornhole was a hit!
