A word from our Commodore - Paulette Hamilton

Tight Lines!

TIKI BAR STOOLS REFURBISHED!

Professional photography donated by Morgan Buchas

On July 15th, **Skidaway Island Boating Club** volunteers unveiled the eight bar stools they refurbished for the Tiki Bar at The Landings Marina from the vision and

organizational efforts of Club member **Lee Carol**. Members of the Club gathered at the Marina to recognize the efforts of **Joe Witten, Bud Equi, June & Steve Hernandez, Charlene & Hugh Upton, Wayne Shebilske**, Linny Dillard, Patti & Ed Richards, and Lee Carol. The Masters of Ceremony (the Honorable District Court Judge **Chis Ray**, and the owner and CEO of Active Learning Centers **Tom Buchas**) captivated the guests with witty remarks while the event judges (**Larry Sincoskie**, The Landings Association Marina Director and **Tim Cook**, The Landings Association Security Director) carefully reviewed each bar stool and the

attendees had time to vote on their favorite.

Based on the judge's review, **Patti and Ed Richard's** bar stool won the award for **Best Detail Work** which recognized the specific quality of work (paint finish, line detail, etc.) of the designer. The judges further selected the bar stool refurbished by **Linny Dillard** as the **Most Creative** due to its unique design. The **People's Choice Award**

selected by the attendees went to **Linny Dillard**, as well. Each of the award winners and the volunteers received a gift from the Skidaway Island Boating Club in recognition of their efforts on behalf of The Landings Association. The Club and volunteers hope you enjoy the refurbished bar stools at the Landings Marina!

SAVE THE DATE: Hook Race August 22

The annual Low Country Hook Ocean Race, sponsored by Berkshire Hathaway Home Services Southeast Coastal Properties, will take place on Saturday, August 22nd when Savannah skippers will sail from Harbor Town to the Landings Marina,

arriving between 5:00 PM and 7:00 PM. The course will start in Hilton Head Island, head out to sea, pass Tybee Island, and then head north up to the Wassaw Sound before ending at The Landings Harbor Marina. Due to COVID-19 there will be no social activities associated with the race this year.

Time to Update your Membership Profile

The SIBC Marketing committee has also been busy this summer working to improve communications with our members. **We are asking all members to take a minute to update their profiles if they have not already done so.** This information will help plan activities, communicate more effectively and help us grow our membership. If you have any questions, please contact [Ron Dillard](#).
